**PARKING BARRICADE REMINDERS:** Many local streets have to be free of parked cars in order to safely stage and operate our May 17th parade that brings enjoyment to thousands in the Ballard community. The streets are kept clear near the parade staging area to accommodate increased traffic, large parade floats and vehicles and along the parade route for viewing. Violators will be towed at owner's expense.

★ Parade End  
(Ballard Ave and Ione)
